#### **ACTION ITEMS**

Recommended FY25 Budget

Chief Financial Officer, Gary Meyer reported the following:

- a. Next FY there will be no American Rescue Plan Act (ARPA) funding which will pose some challenges however, the Coalition would continue to spend all funding based on the 3 pillars of the coalition which include: access to education, quality of early education, education for all early learners in the Hillsborough community which includes meeting the needs of children with unique challenges
- b. Permanent personal will remain onboard after ARPA and only one staff member was a temporary hire with their time coming to an end on June 30, 2034
- c. 80% of revenue from the Department of Early Learning is geared towards provider payments and 20% is allocated to quality and administrative costs which is reflected in the materials within the agenda packet for review of the board of directors
- d. More Quality incentive money has been pre-paid with ARPA funding
  - a. i.e. Special needs funds for classroom technology licenses with \$400,000 to be spent over the next three years.
- e. Example of Quality dollars that are budgeted
  - a. One year for the salaries for three staff members at the school district to screen special needs children
- f. Estimated School Readiness Plus funding
  - a. Helps families that fall off the eligibility cliff with an estimated \$3 million dollars
- g. Provider rates are up on average 7% which is layered into the budget
- h. Number of children being served is at 13,500 which is consistent to this time of the calendar year

i. ELCHC is asking for staff/employees to contribute a little more for health insurance this fiscal year to contribute some to the overall 10% carrier increase; staff that receive annual physicals can lower their employee contribution to their insurance payroll deduction.

Mr. Meyer shared that Outreach and Days of Play also help to grow School Readiness and Voluntary Prekindergarten numbers as well as radio ads, ads on bus stops, ads in local grocery stores and gas pumps as well as all social media platforms the coalition has built up and continuously works.

Mr. Meyer opened the floor for questions and discussion.

Dr. Fred Hicks, Chief Executive Officer of the ELCHC shared with the board of directors that he was working to ensure that as many administrative costs remain flat such as rental space although, there was an expansion phase already in place when he arrived at the coalition. Dr. Hicks shared that financial audits were clean except for one minor finding where a single provider was overpaid by \$22.00 and with a budget of over \$300 million dollars Mr. Meyer and his team as well as all staff all work to ensure that every penny is counted and distributed by the parameters set forth by the state. Dr. Hicks noted that this provider did cut a check back to the coalition for the overpayment.

There was committee discussion on the job well gone by CFO, Gary Meyer his team and all ELCHC staff for working hard to ensure that financial fiduciary was front and center as the pillars of the coalition were being filled by the early education needs of the Hillsborough Community.

Alison Nguyen made a motion to recommend the FY25 budget to be presented to the full board of directors at the next board of directors meeting. Dr. Jacquelyn Jenkins seconded. The motion carried unanimously.

Recommended FY 2024-2025 Schedule of Finance Committee meetings

Dr. Jacquelyn Jenkins made a motion to approve the recommended schedule of Finance Committee meetings for FY 2024-2025. Alison Nguyen seconded the motion. The motion carried unanimously.

#### **CEO REPORT**

#### Zoo Tampa

Dr. Hicks shared the coalition was on the receiving end of another \$2.6 million of ARPA funding right before June 30 and the team was working hard to it on children

over the summer including passes to the Zoo which many families otherwise would not be able to afford.

#### **ARAP Wrap-Up**

Dr. Hicks highlighted that providers had been prepared for the last several months by staff as everyone adjusts to a post ARAP world.

#### Children's Summit 2024

Dr. Hicks shared the planning for the Children's Summit was in full swing and invited committee members to register and or sponsor a table if inclined to do so.
